Swannanoa, Swannanoa,  
To you we'll always be true;  
You're our dear old Alma Mater  
And we'll always love you.

Your guiding light will lead us  
Through paths that we do not know;  
We will take our memories of you  
Down through life's long, long, road.

MOTTO

"GIVE TO THE WORLD THE BEST YOU HAVE AND THE BEST WILL COME BACK TO YOU."

Our class entered high school in nineteen and forty-six with sixty members. Our sponsors in the ninth grade were Mrs. Margaret Rowell and Mrs. Ivy Brown. In the Tenth, Mrs. Rowell and Mr. Joe Walden were our sponsors. This year they

are Mrs. Rowell and Mrs. Ruth Carlisle. Five of our girls have married and left our class since last year. They are: Hazel Strickland, Gladys Gant, Marie Foster, Peggy Duncan and Wilma Martin. We have contributed many boys and girls to the football and basketball teams this year. We have contributed cheerleaders members of the staff also.

Many of our class belong to the Beta, F.F.A., and S Club. It was a pleasure to entertain the seniors at our Junior-Senior Banquet.

# Sephemores

If your instructors have been wise in the ways of life, as well as in the routine of the classroom, they have taught you that not all battles go to the strong. They will have taught you that not every race belongs to the fleet. Rather will they have taught you that there are things of the spirit that mean more than material success can possibly mean. They will have tried to inspire you through their teaching to make live not merely a living.

Unless your training thus far has given you principles which will be companions to you as you look upon the ugly things of life--as you view the deceptions, the wrongs and the quarrelings--and all the enthusiasm you now have will wilt as does the bloom of the flowers, and the place in your heart where your dreams now rest will be crowded out.

Class of 10B-1, I challenge you to adopt a good companion. Truth is a good companion. Truth never dies. The ages come and go. Mountains wear away. Empires crumble into dust. Truth may be hidden under the debris for a while but it never dies. Seek out the truth within yourselves; seek out the truth in life. Hold steadfastly to it. It will be an anchor for your faith.

Always remember as you go forth from these year of learning, that as you view the building of industry; as you travel on the highways; as you delve into the mystery of the years ahead of you; in all the ages, in all the years, nothing has been accomplished without work, without vision, without dreams.

E. Y. Neill, Sponsor

On September 13, 1949, there were thirty students entering 10B-2. Now we have only twenty-four. To the six we have lost: Laura Stoupe, Helen Candler, Barbara Edmonds, Dorothy Shope, Peggy Reed, and Evelyn Creasman, we wish the best of luck.

The following people have won letter in various sports and we're very proud of them:

Martha Penley--Cheerleader  
David Miller--Football  
Harry Adkins--Basketball

From the class we have picked the following superlatives:

Class Crooners--Sidney Bass  
Frances Spivey  
Best Looking--Keith Gant  
Frances Robinson  
Most Athletic--Harry Adkins  
Martha Penley  
Wittiest--Bobby Cooper

Barbara Gibbs  
Bobby Anderson  
Most Popular--David Miller  
Barbara Gibbs  
Best Personality--David Miller  
Rosa Lee Russell  
Best Dressed--Wayne Howie  
Janet Plummer

We raised \$80 for Martha Penley who ran for Football Queen; she won second place.

There were two girls in our class who ran for May Queen's Attendants: They were Frances Robinson and Janet Plummer.

Wilma Church won first place in our spelling competition and represented Swannanoa at Blanton's Spelling Contest.

Our party at Christmas was a very nice one. We had refreshments and played several games. The refreshments of doughnuts and cider were very tasty.

# Freshmen

9B-1

The class of 9B-1 started their first high school year with a bang under the leadership of Mrs. Ivy Brown. To become "Freshmen" was a grand experience for us. We are looking for a few of us to wind up in Congress and especially for Billy Bridges to become President.

Our class has a number of fine athletes of whose records we are proud. We had five boys on the football team and three of the same boys made the basketball team, and one was a cheerleader. We think our class has plenty of ability and will go far, and we hope that our athletes will weave a banner of fame and glory for themselves and our school in the future.

Our Class Officers are: Jimmy Webb, President; Jim Huntsinger, Vice-President; Betty Pinkerton, Secretary; Faye Bartlett, Treasurer.

Class Colors are: Black and Gold.

Class Motto: "To do our best at all times everywhere."

Our class also has a lot of singing ability. We have a regular quartet and we enjoy their singing very much. So all in all we have a very outstanding class. The Good Citizens of the Ninth grade are Jimmy Webb and Peggy Moser.

The Twelfth grade girls defeated our Ninth grade girls by a one point margin in the annual F.H.A. tournament. The final score was 15 to 14. High scorer for the Twelfth grade was Evelyn Roberts, while Pat Stevens tallied 6 for the losers. Those playing for the 9B-1 class were Thelma Mayfield, Betty Lou Slagle, and Doris Hall.

Dorothy Nobles, a much liked member of the 9B-1 class, left April 21, to make her home in Augusta, Maine.

Row 1-Class Officers: Jimmy Webb, Thelma Mayfield, Carolyn Martin, Betty Pinkerton, Faye Bartlett, Jim Huntsinger.

Row 11: Harold Spivey, Frank Pulliam, Fred Strickland, Eileen Vincent, Ralph Shook, Dorothy Nobles, Bill Bridges, Peggy Towe, Lucille Lizotte, Doyce Settles, James Rickard, Edna Robinson, Roy Nanny, Zelda Mae Teems, Sewell Strickland, James Redmon.

Row 111: Jack Edwards, Franklin Spann, Doris Hall, Kenny Wood, Ernest Allen, Jim Isley, Evelyn McDaniels, Frances Clayton, Peggy Moser, Barbara Eller, Beatrice Robinson, Betty Lou Slagle, Barbara Allen, Ila Mae Holbert, John Shope, Dan Redmon.

Charmian Weatherly, Velma Rigsby, Tommy Jackson, Lloyd Gragg, and John Bogan are absent from the picture.

Athletes (Boys): Jimmy Webb, Jim Isley, Ernest Allen, Kenny Wood, Jim Huntsinger.

Athletes (Girls): Eileen Vincent, Thelma Mayfield, Betty Lou Slagle, Doris Hall.

MOST POPULAR

MOST ATHLETIC

One of the largest migrations in the history of Swannanoa School took place in the fall of 1948 when eighty-eight proud eighth graders become hopeful Freshmen in high school. The teachers took one look at us and quickly divided us into two sections, ours becoming 9B-2. Our first few days were filled with wondering and wandering as we tried to accustom to the routine of changing classes, new studies, and mingling with friends during the day. But in no time we were feeling like old timers and were successfully adding our bit to school life.

Some of our 9B-2 students who have made a name for themselves in school activities are: Bill Allen, who earned his football letter; Hilliard Owen; and James Rice. James Johnson and Bill Allen represented the class in basketball, while Harry Padgett served as manager for the team. Pat Stevens, Maxine Gardner, Joyce Queen, and Elaine Fox made the girl's "B" team in basketball. Our best spellers were Jewell Cooke, Peggy Rayburn and Pat Stevens, with Pat winning the honor of helping represent Swannanoa High School in the contest at Blanton's Business College. Twenty of our boys belong to the Future Farmer of America while eleven girls are members of the Future Homemakers of America.

With our varied interests placing us in many school activities, we feel that it has been a year well spent and that in our way we have contributed much to school life. At the same time, our benefits have been many. For as we have participated in school life, we have learned our own capabilities as well as what is expected of us. Thus we close this first experience looking forward eagerly to our next three years as worthy members of our school community.

## LIBRARY SCIENCE

The High School Library is a standard one, containing reference and fiction books. In addition to these we have the local papers and a large number of popular magazines. This year the Library received several hundred new books. The Library Science classes under the direction of the Librarian, Mrs. Margaret K. Rowell, processed and classified these and made them ready for circulation.

Some of the most important things the Library Science classes have done this year were: made an entirely new file of catalogue cards; prepared a new accession book for the High School and a complete set of shelf list cards for the Elementary School Library. Another task we all like to do is to plan and put up new bulletin boards and displays to correspond with the seasons and events of the year. Each student has a special task to perform; such as reading the shelves, checking books in and out, tabulating the daily circulation, and keeping the magazines and newspapers in order. The following are taking this subject: Irene Adams, Clara Allen, Patsy Bailey, Anne Burnette, Bruce DeBruhl, Billie Fender, Bill Gosnell, Thomas Huntsinger, Ruth Meeks, Betty Sizemore, Jack Smith, Margaret Stephenson, Virginia Tweed, Frances Wadell, and Theo Weaver.

Mr. Howell and Office Helpers

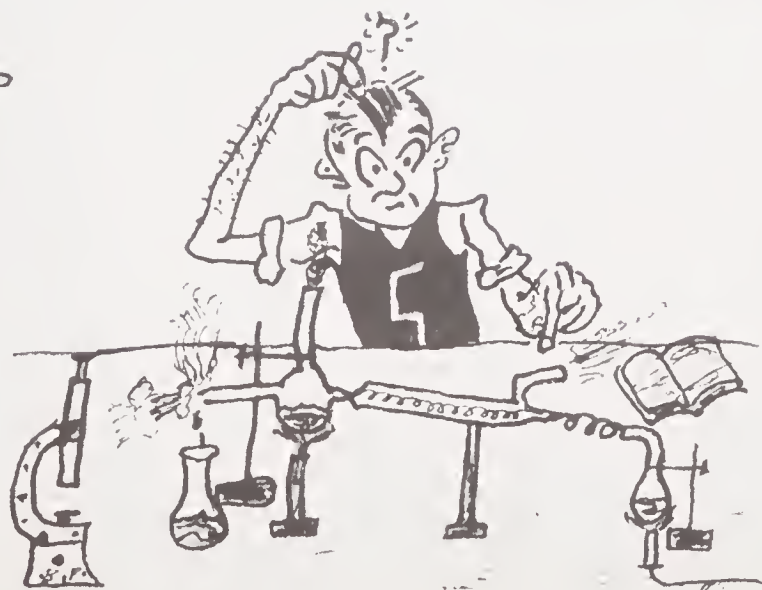

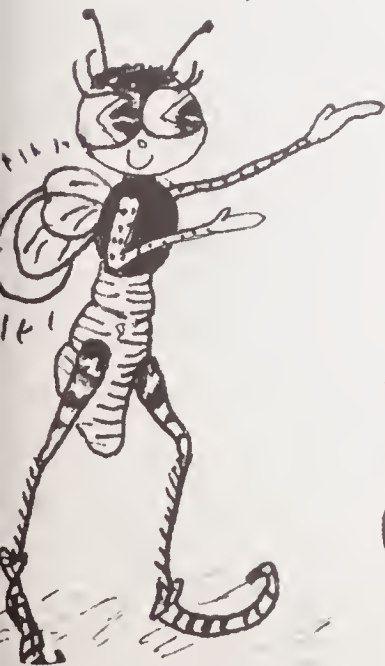

Miss Baker and Senior Typing Class

In nature and the textbooks our budding "scientists" have delved into the various scientific fields to find themselves involved. In chemistry, the mystery of the atom and molecule unfurled and even HCl made sense to a few. Gasoline motors were inspected at the garage by the General Science people and even the sad buses got a going over by the inquiring class! Wild flowers, earthworms, insects, phylums, sub-phylums and family's were the downfall of the biology students, who dissected, collected, moaned and groaned!

Chemistry students are: Irene Kilby, Betty Brigman, Oberia Fox, Peggy Bryant, Miss White Teacher, Mary LeMaster, Raymond Clark, Nadine Deweese, Bill Mills, Wesley Burnotte, Arvel Silvers, Aubrey Aiken, Ruth Meeks, Geraldine Jenkins.

The national Beta Club is a non-secret achievement service. It was organized for high school students and one of its objects is to encourage and assist students to continue their education after high school. The qualifications for membership are: good mentality and character, creditable achievement and commendable attitude.

Our local chapter has sponsored a clean-up campaign throughout the school which has helped the conditions of the school. The Beta Club presented a one-act play before the student body November 11, 1948. This is an annual Armistice Day custom.

Elmer Fender, Pearl Ramsey, Betty Ingle and Evelyn Roberts are the remaining charter members still in school. The club was instituted in the year of 1947 with twenty-three members.

The following students are members of the club:

FUTURE HOMEMAKERS OF AMERICA  
SWANNANOA CHAPTER  
"TOWARD NEW HORIZONS"

President: Nadine Allen Vice-Pres.: Thelma Mayfield  
Secretary: Joan Bass Treasurer: Anne Garland  
Reporter: Betty Stroupe Historian: Margaret Stevenson  
Song Leader: Virginia Tweed Parliamentarian: Betty Brigman  
Adviser: Mrs. Ruth Carlisle

Wives and mothers of tomorrow must be more than good cooks and sock darners; they must also be good neighbors. This was the conclusion reached a few years ago, and it led to the coast-to-coast growth of the Future Homemakers of America, an organization of some 150,000 teen age girls. We have State, National, and Local advisers, but the organization is actually operated by the girls themselves, who hold the State, National, and Local officers. The members are all high-school students, interested in Home Economics, but the clubs do not teach household skills. Instead, they work out projects. A family in their town needs help, so the girls take on jobs as baby-sitters, house-cleaners, and errand-runners to help the family.

The Swannanoa Chapter has two projects for the year: planting of red roses on the school grounds, and the adoption of a Foreign Home Economics Class. We are sending boxes of needed material to the girls, and also writing letters and exchanging ideas.

Three of our members have passed the test, winning their Chapter Homemaking degrees. They are Nadine Allen, our President; Martha Penley; and Betty Stroupe. Anne Garland has passed the test for Junior Homemaking. These girls are now working on their State Homemaking degrees.

Valentine was a great success, celebrated in the Buckner Building. Both boys and girls pronounced it a fine party.

We were represented at the district Rally in Hendersonville by Geraldine Jenkins, Margaret Stevenson, and Elaine Fox. Delegates to our State Convention in Raleigh were: Nadine Allen, Martha Penley, and Pat Stevens. Pat modeled a dress that she had made in first year Homemaking, and Martha was selected to be the commentator for the Fashion Show.

We are planning more activities for the summer so that we won't lose contact during that time.
